FOR IMMEDIATE RELEASE

H & A Productions Assists Local Charity with \$5K Donation

After **H & A Productions** co-produced the Silver Spur Awards and a three hour video of the award show for later sales, the Let' em Run Foundation, a non-profit dedicated to preserving and protecting wild horses in Northern Nevada, received a \$5,000 donation from the Reel Cowboys. The Reel Cowboys, located in Glendora, CA, is an organization committed to upholding the good morals and values portrayed in the American Western drama.

The Reel Cowboys presented Lacy J. Dalton, President and founder of the Let 'em Run Foundation with a \$5,000 check to go towards her efforts to preserve and protect the wild horses in Northern Nevada. The Silver Spur Awards, presented by the Reel Cowboys, celebrates and recognizes the history of Western motion pictures. The Reel Cowboys support various charities and have chosen the Let 'em Run Foundation as a 2008 Silver Spur Award Show proceeds recipient.

H & A Productions, located in Reno, is currently working on the production of a docudrama titled *Let 'em Run*. The docudrama will feature the music of award winning country music star Lacy J. Dalton, and focuses on the plight of the wild mustangs, the last living monument to the west. **H & A Productions** hopes that the documentary will bring further awareness and attention to the Foundation once *Let 'em Run* is released later this year. **H & A Productions** also co-produced the Silver Spur event and a three-hour taped video of the event that was sold by the Reel Cowboys to raise additional funds.
